

Mary Macumber-Schmidt – Board Member

Title: Interim President – Trinity Health Foundation

What inspired you to become a part of the Child Abuse Council Board of Directors?

Every child should have the opportunity to grow up in a safe and nurturing home and every parent should have the support they need to care for, nurture and keep their child safe.

What has been the most meaningful experience you've had since being a member of the BOD?

I am always inspired when I hear the team members talk about the importance of the service they provide. They are clearly passionate and dedicated individuals.

What do you contribute to your role in the BOD?

My experience as a non-profit executive. My experience as a leader and provider of child welfare, survivor services, substance abuse and mental health organizations over the span of my career.

What would you like the community to know about the Child Abuse Council?

EVERYONE has the opportunity to support the mission of the Child Abuse Council and make a difference in the life of a child.

What is your hope for the Child Abuse Council in the future?

My hope for the Child Abuse Council is that they can focus all efforts on supporting families and proactively prevent child abuse by creating and implementing innovative services to children and their families.
